### Graduation

Course BCA ( Computers )  
College Bearys Institute of Emerging Sciences  
Score 9.22%

### Schooling

	Class XII	Class X
Board Name	Karnataka	Karnataka
Medium	English	English
Year of Passing	2020	2018
Score	73.5%	71.84%

## INTERSHIPS

### CodSoft | August 2024 - September 2024

- During my internship, I gained hands-on experience with CSS Grid, creating efficient layouts for real-world projects. This deepened my understanding of web development, improved my coding practices, and enhanced my technical and problem-solving skills.

## PROJECTS

### Weather Application | July 2024 - July 2024

- Built a simple web application using HTML, CSS, and JavaScript that integrates with a weather API to display current weather conditions for any city. The app features a clean, responsive design and allows users to easily search for weather information.

### Text to Speech Converter | September 2023 - September 2023

- This project converts user text into the speech with different sound effects.

### QR Code Generator | September 2023 - September 2023

- Developed this project using HTML, CSS and JavaScript. This project generates QR code for text and URL.

### Bank Management System | May 2023 - May 2023

- Designed a bank management system with SQL database integration, offering real-time transaction and account management through an ATM-like interface for deposits, withdrawals, and balance inquiries.

## ACHIEVEMENTS

- Top 3 in class in BCA
